Now open the mouse2vs and **replace** the last paragraph about "BUILDING A BETTER MOUSE" with the one below.

Today's mouse owner may not be satisfied with just a mouse. The mouse of today is usually wireless and small. The distance it can travel is unsure, but the tail is long gone. The rubber pads are usually pictures of loved ones or at least specially made.

- a. Check and make sure all sentences are complete and accurate.
- b. Change the font to Librarian or Verdana and size to 10 pt.
- c. Header would be Six Weeks Final and footer would be your name and date if done correctly.
- d. Underline all vocabulary words only.
- e. Add the 1" by 1" mouse (colored clip art) from coloring pages, in the bottom right corner.

Vocabulary words include:

vision	plugged
Microsoft	wooden
navigate	treadmills
rubber pads	outlive

Be sure all spelling has been checked.
Print the "mouse2vs" file when through
Staple all three pages together with the test on top.
